Data Edge promotes Himanshu Patel to sales engineer role

BRAY company Data Edge has promoted Himanshu Patel to the position of sales engineer.

Mr Patel has quickly ascended the Data Edge ranks, having joined the company as an intern in 2019, before being promoted to pre-sales engineer in 2020.

Prior to joining Data Edge, he was a customer service representative at the International Travel Network.

He also previously held the position of junior sales manager for Bajaj Allianz Life Insurance. Himanshu holds a master's degree in engineering science in computer systems from Riga Technical University, as well as a bachelor's degree in computer science and engineering from Mahatma Gandhi Institute of Technical Education and Research Centre.

Commenting on the appointment, Paul Phelan, Data Edge CEO said: 'Himanshu has con-

Bray company Data Edge has promoted Himanshu Patel to the role of sales engineer.

sistently delivered high-quality customer service and technical support, displaying a terrific work ethic over the course of his Data Edge tenure. With an eye for innovation and knack for problem solving, Himanshu has become an invaluable member of our team, and we are thrilled to recognise his contributions with this latest promotion.'

Mr Patel said he was 'delighted' to continue his Data Edge journey and take on greater responsibility within the company.

'My experience here to date has been fantastic, having joined as an intern just a few years ago. To now be working as a sales engineer represents an arc of professional growth that I'm hugely proud of, and I'm grateful for the guidance and support of my colleagues over this time.

'I would like to offer a sincere thank you to Paul and the team for giving me the opportunity to showcase my skillset, and grow within the company.'

Data Edge provides test equipment and bespoke solutions and services to help optimise customers' applications and infrastructure investment.
